

Gibson Southern High School

- Located in Fort Branch, IN
- Owner: South Gibson Community School Corporation
- Renovation
- Project Description: Project is currently under construction. The addition/renovation of Gibson Southern High School will provide greater academic and extra curricular opportunities for students. Additions consist of an auxiliary gymnasium with three regulation size basketball courts, three lane running track, portable bleachers to seat 200 spectators and athletic locker room. A wellness center for school and community use also will be incorporated. Other additions include a wrestling room, performing arts facility, band/choir classroom, art classroom and mechanical room. GSHS will receive renovations throughout to ensure that the infrastructure, technology and security adhere to current standards.
