

Hanover United Methodist Church

- Located in Hanover, IN
- Owner: Hanover United Methodist Church
- Renovated and New Square Footage: 21,365 SF
- Project Description: Renovations and additions will be completed to the original Hanover United Methodist church in a three-phase process. The creative use of phasing will allow this church community the opportunity to expand their facility to more than double the original size, while maintaining a tight budget. Phase A includes renovations and additions to the existing kitchen and fellowship hall. Phase B will include the addition of a new sanctuary, and the renovation of the existing sanctuary. Phase C will include the addition of six classrooms. Phase A is currently in design with an estimated completion date of Fall 2008.
