

## Noblesville High School

- Located in Noblesville, IN
- Owner: Noblesville Schools
- 470,000 square feet, new construction
- Project Description: Economy, multi-use and flexibility were carefully considered in the design phase. To maximize use of the long, narrow site, several large use areas are arranged along a major circulation path. The three main areas include the academic house, arts and wellness components. Community access to classrooms, the media center, cafeteria, gymnasium, arts facilities, natatorium and industrial technology department can be compartmentalized for use after hours.
- Construction Cost: \$42,934,228
- Completed August 1996
